Mr. Bob Rose,
Harrisburg, Pa.

Dear Mr. Rose:

I am writing to ask you what steps I should take to arrange to have an account with your Firm in order to purchase the Wilson ball without the trouble of the Cash and Carry basis. It is necessary now to go to New York and get them, I would like to be able to arrange to have the balls shipped directly to me and pay the bill the first of the month.

Will appreciate your assistance in this very much.

Very truly yours,
